ASIA FOCUS

INTERNATIONAL SERVICES

Asia, comprising 49 nations, is home to over 60% of the world's population. In 2025, its nominal GDP is projected to reach approximately \$42.6 trillion, accounting for 36.89% of global GDP, and its GDP at purchasing power parity (PPP) is estimated at \$100 trillion, representing about 48.92% of the world's total.

As the fastest-growing economic region, Asia has experienced some of the world's longest modern economic booms. However, recent forecasts suggest a slight deceleration, with the Asian Development Bank projecting a growth rate of 4.9% in 2025, down from 5.0% in 2024.

Moreover, our global reach, combined with a strong local presence across various jurisdictions, ensures the delivery of customized commercial and compliance solutions throughout Asia and beyond.
